The Bank of Zambia publishes a journal entitled "*BOZ READER: ISSUES ON THE ZAMBIAN ECONOMY*" to promote information dissemination and the exchange of views on contemporary and topical issues affecting the Zambian economy. The journal is published annually in hard copy format.

As part of efforts to modernise research dissemination and to keep abreast with international best practices, the Bank of Zambia wishes to inform the general public that with effect from December 7, 2020, the hard copy format of the BoZ Reader will be replaced by an electronic format *Bank of Zambia Working Paper Series*. Research papers will now be published on a continuing basis as working papers on the Bank of Zambia website www.boz.zm.

In view of this change, the Bank of Zambia has created a mailing list for members of the public who wish to be notified about new publications. To join this mailing list, kindly send an email to pmulenga@boz.zm or fchansa@boz.zm.
